18th October, 2018,

Dear Parent, Guardian, Carer,

2018 Ofsted Inspection Report

Following the recent Ofsted inspection of our school on 2nd October, 2018 by Her Majesty's Inspectorate (HMI), please find attached your copy of our Ofsted inspection report.

Please take time to carefully read the report letter that was sent to me and share it with you child.

I am proud to be the Headteacher of St Thomas More's and the inspection findings reflect my own self evaluation of our school's strengths and areas for development. The report affirms the significant contribution made by our dedicated staff, committed governors, supportive parents and amazing children - all of whom, make St Thomas More school an unique place to grow and learn.

As parents and carers, thank you for all that you bring to our school. The way you engage with us is key to your child's success and parental partnership is at the heart of everything we do in order to improve the life chances of our children. Remember to continue to "Live as God calls you" so our children are able to "Do More, Achieve More, Be More" and become the absolute best they can be.

Very best wishes in continued partnership,

Mrs Apolloni

PS. A hard copy of the report can be found on our school website: www.stthomasmoreprimary.org.uk
